ADVICE LETTER NO. 1462-B

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

California-American Water Company ("California American Water") (U210W) hereby submits for review this advice letter, including the following tariff sheets, attached hereto, which are applicable to all its districts.

Purpose:

The purpose of this supplemental advice letter is to reflect changes contained in AL 1461-A and update rates in the Northern and Southern Divisions.

The purpose of this supplemental advice letter is to make certain adjustments to the workpapers submitted in AL 1462. The changes relate to production cost expenses including purchased water expense and non-revenue water.

The purpose of this advice letter filing is to request approval of the 2025 Annual Consumption Adjustment Mechanism ("ACAM") rates for the Northern, Central, and Southern Division in accordance with Decision ("D.") 24-12-025. As stated in Advice Letters 1459, 1460, and 1461, the purpose of this advice letter filing is to make effective and implement, revised tariff schedules reflecting 2025 ACAM rates per D.24-12-025. Per D.24-12-025, Test Year 2024, 2024 ACAM, and 2025 Escalation year rates will be subsumed in California American Water's 2025 ACAM through this filing.

Background:

California American Water was authorized to create a pilot ACAM in its Monterey Service Area in D.18-05-027. D.21-11-018 authorized the ACAM as a permanent program in Monterey, and also authorized California American Water to create new ACAM pilot programs in its Northern, Southern Division, and the Central Satellite service area within the Central Division.

D.24-12-025, issued December 5, 2024, resolved California American Water's general rate case application A.22-07-001. The purpose of this advice letter filing is to file tariffs in compliance with Ordering Paragraph 6 of D.24-12-025, which authorized continuation of California American Water's ACAM:

6. California-American Water Company's request to continue its Annual Consumption Adjustment Mechanism is granted. California-American Water Company must file a Tier 1 Advice Letter to include the Annual Consumption Adjustment Mechanism in its Preliminary Statement.

Through Advice Letter 1460, California American Water filed its 2024 ACAM and updated its preliminary statement in compliance with this ordering paragraph and through this filing, California American Water submits its 2025 ACAM.

Request:

In compliance with D.24-12-025, California American Water requests authority to replace the adopted consumption with the actual consumption and production data (from October 1, 2023, through September 30, 2024) beginning January 1, 2025, to be used for future rate adjustments, including all annual step and offset filings.

Tier Designation:

This advice letter is submitted pursuant to General Order No. 96-B and D.24-12-025 and is designated as a Tier 2 filing.

Effective Date:

California American Water requests that the tariff changes requested in the Advice Letter be made effective upon the effective date of March 7, 2025.

Notice and Service List:

Customer Notice – Customers will be notified of this rate change by bill text message. In accordance with General Order 96-B, General Rule 4.3 and 7.2 and Water Industry Rule 4.1, a copy of this advice letter will be transmitted electronically to interested parties having requested such notification. ***Please note that this advice letter will only be distributed electronically.***

PROTEST OR RESPONSES:

Anyone may submit a response or protest for this AL. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

A **response** supports the filing and may contain information that proves useful to the Commission in evaluating the AL. A **protest** objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds¹ are:

1. The utility did not properly serve or give notice of the AL;
2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the AL contain material error or omissions;
4. The relief requested in the AL is pending before the Commission in a formal proceeding;
or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require relitigating a prior order of the Commission.

¹ G.O. 96-B, General Rule 7.4.2

7. A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

DWA must receive a response or protest via email (or postal mail) within 20 days of the date the AL is filed. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

The addresses for submitting a response or protest are:

Email Address:

Water.Division@cpuc.ca.gov

Mailing Address:

CA Public Utilities Commission
Division of Water and Audits
505 Van Ness Avenue
San Francisco, CA 94102

On the same day the response or protest is submitted to DWA, the respondent or protestant shall send a copy of the protest to California American Water at:

jonathan.morse@amwater.com

520 Capitol Mall, Suite 630
Sacramento, CA 95838

Cities and counties that need Board of Supervisors or Board of Commissioners approval to protest should inform DWA, within the 20-day protest period, so that a late filed protest can be entertained. The informing document should include an estimate of the date the proposed protest might be voted on.

REPLIES

The utility shall reply to each protest and may reply to any response. Any reply must be received by DWA within five business days after the end of the protest period, and shall be served on the same day on each person who filed the protest or response to the AL.

The actions requested in this advice letter are not now the subject of any formal filings with the California Public Utilities Commission, including a formal complaint, nor action in any court of law.

This filing will not cause the withdrawal of service, nor conflict with other schedules or rules.

If you have not received a reply to your protest within 10 business days, please contact Chase Grady at (916) 568-4241.
