Purpose:

This advice letter filing requests recovery of intervenor compensation awarded to:

- Public Water Now (“PWN”) in D.17-05-030 for contribution in connection with D. 15-03-002 and D. 15-10-052 which approved the Regional Desalination Project settlement between Cal-Am, the County of Monterey, and the Monterey County Water Resources Agency.

Background:

In D.17-05-030, the Commission ordered the following:

Public Water Now is awarded \$16,617.51.

Within 30 days of the effective date of this decision, California-American Water Company shall pay the Public Water Now the total award. Payment of the award shall include interest at the rate earned on prime, three-month non-financial commercial paper as reported in Federal Reserve Statistical Release H.15, beginning March 5th, 2017, the 75th day after the filing of Public Water Now’s request, and continuing until full payment is made.¹

On June 19, 2017, California American Water issued a payment of \$16,758.88, which includes interest to PWN in accordance with the decision. The interest calculation is shown in Workpaper 1-1, attached hereto. This compensation is related to the Regional Desalination Project settlement between Cal-Am, the County of Monterey, and the Monterey County Water Resources Agency.

Request:

California American Water requests authorization to bill customers a one-time meter surcharge to recover \$16,758.88 for PWN from all customer classes in the Monterey County District for the contribution to settlement agreement matters of PWN in D.15-03-002 and D.15-10-052.

Tier Designation:

This advice letter is submitted with a Tier 2 designation.

Effective Date:

California American Water requests an effective date of November 7, 2017.

6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require relitigating a prior order of the Commission.
7. A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

DWA must receive a response or protest via email (**or** postal mail) within 20 days of the date the AL is filed. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**
