ADVICE LETTER NO. 66-S

TO THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

California-American Water Company (California American Water) (U210W) submits for review this advice letter including the following attached tariff sheets applicable to Monterey Wastewater:

Purpose:

By this advice letter, California American Water requests authorization to revise its Low-Income Schedule No. CA-LIRA to Schedule No. CA-CAP (Customer Assistance Program "CAP"). The changes are as follows:

- Modifying the following tariffs as follows:
 - Create new heading for Schedule No. CA-LIRA Tariffs consistent with the approved consolidation in D.20-08-047.
 - Heading names are now Schedule No. CA-CAP.
- Deleting the following tariffs that are no longer effective:
 - Schedule No. CA-LIRA
- Updating the CAP annual income guidelines for 2021-2022, in compliance with the Public Utilities Code Section 739.1.

Background:

Ordering Paragraph 4 of D.20-08-047 provides as follows:

Commission regulated water utilities shall name or rename their respective low-income water assistance program as "Customer Assistance Program" as part of their next general rate case applications. Water utilities with low-income programs shall describe their programs in filings and public outreach with the name "Customer Assistance Program." Water utilities may use the CAP acronym where appropriate.

California American Water files this advice letter to proactively make this name change prior to its 2022 general rate case filing. Water Advice Letter 1326 was approved by the CPUC April 19, 2021, effective March 5, 2021.

California American Water also files this advice letter to update the CAP income guidelines for the 2021-2022 year in compliance with Public Utilities Code Section 739.1. As stated in the Public Utilities Commission Energy Division's March 19, 2021 letter, income guidelines/limits should be updated as follows:

Household Size	CARE & Energy Savings Assistance Program (CAP program)
1-2	\$34,840
3	\$43,920
4	\$53,000
5	\$62,080
6	\$71,160
7	\$80,240
8	\$89,320
Each Additional person	\$9,080

Request:

Update applicable tariffs, forms, and letters to reflect the program name change to Customer Assistance Program CAP and update the CAP annual income guidelines for 2021-2022.

Tier Designation:

These tariffs are submitted pursuant to General Order No.96-B and this advice letter is designated as a Tier 1 filing.

Effective Date:

California American Water requests an effective date of May 19, 2021.

Notice

Per guidance from the California Public Utilities Commission's Water Division, during the COVID-19 pandemic advice letters will only be delivered electronically to the service list. Hardcopy advice letters will be mailed as soon as administrative staff are able to return to California American Water offices.

¹ G.O. 96-B, General Rule 7.4.1

² G.O. 96-B, General Rule 7.4.2

6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require relitigating a prior order of the Commission.
7. A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

DWA must receive a response or protest via email (**or** postal mail) within 20 days of the date the AL is filed. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**
