

A \$500 check made payable to “California-American Water” is required prior to each fire flow test. Mail the check, “625 Fire Flow Verification Form” with Section I completed, and your contact info, to the following address:

**ATTN: Jenny Sepulveda
California-American Water
2439 W Hillcrest Drive
Newbury Park, CA 91320**

Please mail the check, Form 625, and this contact information below. An electronic receipt will be emailed when the check is received. Please allow 30 days for the fire flow test to be completed after the check is received. Due to high demand, please note that fire flow requests are on a **first come first served basis**. After the fire flow test is complete you will receive the completed form via email.
