Central Engineering – CIP Opportunities

- General Contractor
 - Pipelines, Pump Stations, Wastewater, Water Tanks
- Engineering Consultant
 - Pump Station Design
 - Electrical Design
 - Piping Design
- Construction Inspection
 - Pipelines, Pump Stations, Wastewater, Tank Construction
- Welding Contractor / Fabricator
 - Platforms, Railings, Stairways
- Land Surveyor

J. Aman Gonzalez

Sr. Project Engineer

Julio.Gonzalez@amwater.com

AMERICAN WATER

Central Engineering – CIP Opportunities Cont'd

- Well Rehab Contractor
- New Well Construction Contractor
- Hydrogeologist
- Tank Painting Contractor
- Tank and Site Welding and Metalwork
- General Contractor
- Engineering Consultant
- Construction Inspection
- Etc.

Alissa Kispersky

Project Engineer

Alissa.Kispersky@amwater.com
